For purposes of this definition, “Consolidated Adjusted Indenture EBITDA” and “Consolidated Fixed Charges” shall be calculated after giving effect on a *pro forma* basis in accordance with Regulation S-X under the Exchange Act to the incurrence or repayment of any Indebtedness of such Person or any of its Restricted Subsidiaries (and the application of the proceeds thereof) giving rise to the need to make such calculation and any incurrence or repayment of other Indebtedness (and the application of the proceeds thereof), other than the incurrence or repayment of Indebtedness in the ordinary course of business for working capital purposes pursuant to working capital facilities, occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and prior to the Transaction Date, as if such incurrence or repayment, as the case may be (and the application of the proceeds thereof), occurred on the first day of the Four Quarter Period.

If, since the beginning of such period, any Person (that

subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such period) shall have made any Investment, Revocation, acquisition, disposition, merger or consolidation that would have required adjustment pursuant to this definition, then the Consolidated Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, Revocation, acquisition, disposition, merger or consolidation had occurred at the beginning of the applicable Four Quarter Period.

If such Person or any of its Restricted Subsidiaries directly or indirectly guarantees Indebtedness of a Person other than the Company or a Restricted Subsidiary, the preceding paragraph will give effect to the incurrence of such guaranteed Indebtedness as if such Person or any Restricted Subsidiary of such Person had directly incurred or otherwise assumed such guaranteed Indebtedness. Furthermore, in calculating “Consolidated Fixed Charges” for purposes of determining the denominator (but not the numerator) of this “Consolidated Fixed Charge Coverage Ratio,”

- (2) if interest on any Indebtedness actually incurred on the Transaction Date may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rates, then the interest rate in effect on the Transaction Date will be deemed to have been in effect during the Four Quarter Period; and
- (3) notwithstanding clause (1) above, interest on Indebtedness determined on a fluctuating basis, to the extent such interest is covered by agreements relating to Interest Swap Obligations, shall be deemed to accrue at the weighted average rate per annum during the Four Quarter Period resulting after giving effect to the operation of such agreements.

The Company will deliver to the Trustee, within 15 days after the occurrence thereof, an Officers' Certificate detailing any Default of which it is aware, its status and what action the Company is taking or proposes to take with respect to such Default.

such Subsidiary Guarantor to the same extent and in the same manner as such Indebtedness is subordinated to such other Indebtedness of such Subsidiary Guarantor.

Notwithstanding any other provision in this Section 4.08, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section 4.08 shall not be deemed to be exceeded as a result of fluctuations in the exchange rates of currencies. For purposes of determining compliance with this Section 4.08:

(a) the outstanding principal amount of any particular Indebtedness shall be counted only once and any obligation arising under any guarantee, Lien, letter of credit or similar instrument supporting such Indebtedness shall be disregarded; and

this clause (6) which in the aggregate exceed \$5.0 million, the terms of such loans are no less favorable to the Company and its Restricted Subsidiaries, taken as a whole, as would be available to the Company and its Restricted Subsidiaries were it making such loans to a non-Affiliate at fair market value, as reasonably determined in good faith by the Board of Directors or a senior officer of the Company;

- (7) Restricted Payments made substantially concurrently with or promptly following the receipt by the Company and/or its Restricted Subsidiaries of, and in an aggregate amount not exceeding the amount of, (i) any cash contribution from Mosaic and/or any of its Subsidiaries (other than the Company and/or its Restricted Subsidiaries), and/or (ii) any cash distribution (a) from any of Mosaic's Subsidiaries (other than the Company and/or its Restricted Subsidiaries) and/or (b) from or in respect of any other Investment permitted by this clause (7), and/or (iii) any cash payment in whole or in part of any principal, interest or other amounts in respect of Indebtedness that is an Investment permitted pursuant to this clause (7);
- (8) repurchases of Capital Stock deemed to occur upon the exercise of stock options if such Capital Stock represents a portion of the exercise price thereof and repurchases of Capital Stock deemed to occur upon the withholding of a portion of the Capital Stock granted or awarded to an employee to pay for the taxes payable by such employee upon such grant or award; and
- (9) additional Restricted Payments in an aggregate amount not to exceed \$60.0 million since the Operative Date.

Issuances of Capital Stock or equity contributions pursuant to any clause in this paragraph shall not increase the amount available for Restricted Payments under clause (C) of the immediately preceding paragraph.

Not later than the date of making any Restricted Payment pursuant to clause (C) of the second preceding paragraph, the Company shall deliver to the Trustee an Officers' Certificate stating that such Restricted Payment complies with this Indenture and setting forth in reasonable detail the basis upon which the required calculations were computed.

This Section 4.09 will not apply after the Fall-Away Event.

SECTION 4.10. Limitation on Asset Sales.

The Company will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) the Company or the applicable Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets that are sold or otherwise disposed of, as reasonably determined in good faith by the Company's Board of Directors or a senior officer of the Company; and
- (2) at least 75% of the consideration received by the Company or the applicable Restricted Subsidiary from the Asset Sale is in the form of cash or Cash Equivalents; *provided* that in the case of the sale of all of the IMC Salt Business Unit, in the alternative, up to 35% of the consideration received by the Company or the applicable Restricted Subsidiary in the sale may be in the form of Capital Stock of the Person that will hold the IMC Salt Business Unit and Ogden following the Asset Sale if the remainder is in the form of cash or Cash Equivalents; *provided, further*, that the requirement in this clause (2) shall not apply in the case of the sale of all or any part of the IMC Chemicals Business Unit.

For the purposes of clause (2) above, the amount of any Indebtedness shown on the most recent applicable balance sheet of the Company or the applicable Restricted Subsidiary, other than Indebtedness that is by its terms subordinated to the Notes or any Note Guarantee, that is assumed by the transferee of any such assets will be deemed to be cash.

Additionally, the Company or such Restricted Subsidiary, as the case may be, must apply the Net Cash Proceeds from each Asset Sale to:

- (1) repay Indebtedness under the Credit Agreement;
- (2) repay (including by purchase) secured obligations;
- (3) repay (including by purchase) any Indebtedness of any Restricted Subsidiary that is not a Guarantor; and/or
- (4) make an investment in or expenditures for assets (including Capital Stock of any entity) (a) that replace the assets that were the subject of the Asset Sale or (b) that will be used in the business of the Company

and its Subsidiaries as existing on May 17, 2001 or in businesses reasonably related thereto (“**Replacement Assets**”).

Any Net Cash Proceeds that the Company does not apply, or decides not to apply, in accordance with the preceding paragraph will constitute a “**Net Proceeds Offer Amount.**” The 366th day after an Asset Sale or any earlier date on which the Board of Directors of the Company determines not to apply the Net Cash Proceeds in accordance with the preceding paragraph is a “**Net Proceeds Offer Trigger Date.**” When the aggregate Net Proceeds Offer Amount is equal to or exceeds \$25.0 million, the Company must make an offer to purchase (the “**Net Proceeds Offer**”) on a date that is not less than 30 days nor more than 45 days following the applicable Net Proceeds Offer Trigger Date, from

- (a) all Holders of Notes and
- (b) all holders of other Indebtedness (“**Other Indebtedness**”) that (x) is not, by its terms, expressly subordinated in right of payment to the Notes and (y) contains provisions requiring that an offer to purchase such Other Indebtedness be made with the proceeds from the Asset Sale,

on a *pro rata* basis, the maximum principal amount of Notes and Other Indebtedness that may be purchased with the Net Proceeds Offer Amount. The offer price for Notes in any Net Proceeds Offer will be equal to 100% of the principal amount of the Notes to be purchased, plus any accrued and unpaid interest on such Notes, if any, to the date of purchase.

The following events will be deemed to constitute an Asset Sale and the Net Cash Proceeds from such Asset Sale must be applied in accordance with this Section 4.10:

- (1) in the event any non-cash consideration received by the Company or any Restricted Subsidiary of the Company in connection with any Asset Sale is converted into or sold or otherwise disposed of for cash (other than interest received with respect to any such non-cash consideration), or
- (2) in the event of the transfer of substantially all, but not all, of the assets of the Company and its Restricted Subsidiaries as an entirety to a Person in a transaction permitted under Section 5.01, and as a result thereof the Company is no longer an obligor on the Notes, the successor corporation shall be deemed to have sold the assets of the Company and its Restricted Subsidiaries not so transferred for purposes

of this Section 4.10, and shall comply with the provisions of this Section 4.10 with respect to such deemed sale as if it were an Asset Sale. In addition, the fair market value of such assets of the Company or its Restricted Subsidiaries deemed to be sold shall be deemed to be Net Cash Proceeds for purposes of this Section 4.10.

Notwithstanding the provisions described in the immediately preceding paragraphs, the Company and its Restricted Subsidiaries may consummate an Asset Sale without complying with such provisions to the extent that (a) at least 75% of the consideration for such Asset Sale constitutes Replacement Assets and (b) such Asset Sale is for fair market value. Any cash consideration that does not constitute Replacement Assets that is received by the Company or any of its Restricted Subsidiaries in connection with any Asset Sale permitted under this paragraph will constitute Net Cash Proceeds and will be subject to the provisions described in the preceding paragraphs.

The Company shall mail a notice of a Net Proceeds Offer by first-class mail, postage prepaid, to the record Holders as shown on the register of Holders within 30 days following the Net Proceeds Offer Trigger Date, with a copy to the Trustee, containing all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Net Proceeds Offer and shall state the following terms:

- (1) that the Net Proceeds Offer is being made pursuant to this Section 4.10, that all Notes tendered will be accepted for payment; *provided, however,* that if the aggregate principal amount of Notes and Other Indebtedness tendered in a Net Proceeds Offer plus accrued interest at the expiration of such offer exceeds the aggregate amount of the Net Proceeds Offer, the Company shall select on a *pro rata* basis, the Notes and Other Indebtedness to be purchased (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$1,000, as applicable, or multiples thereof shall be purchased) and that the Net Proceeds Offer shall remain open for a period of 20 business days or such longer periods as may be required by law;
- (2) the offer price (including the amount of accrued interest) and the Net Proceeds Offer date of payment (“**Net Proceeds Offer Payment Date**”) (which shall be not less than 30 nor more than 45 days following the applicable Net Proceeds Offer Trigger Date and which shall be at least five business days after the Trustee receives notice thereof from the Company);
- (3) that any Note not tendered will continue to accrue interest;

- (4) that, unless the Company defaults in making payment therefor, any Note accepted for payment pursuant to the Net Proceeds Offer shall cease to accrue interest after the Net Proceeds Offer Payment Date;
- (5) that Holders electing to have a Note purchased pursuant to a Net Proceeds Offer will be required to surrender such Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent at the address specified in the notice prior to the close of business on the business day prior to the Net Proceeds Offer Payment Date;
- (6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the second business day prior to the Net Proceeds Offer Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of the Notes such Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased; and
- (7) that Holders whose Notes are purchased only in part will be issued new Notes in a principal amount equal to the unpurchased portion of the Note surrendered; *provided, however*, that each Note purchased and each new Note issued shall be in an original principal amount of \$1,000 or integral multiples thereof.

On or before the Net Proceeds Offer Payment Date, the Company shall (a) accept for payment Notes or portions thereof (in integral multiples of \$1,000) validly tendered pursuant to the Net Proceeds Offer, (b) deposit with the Paying Agent in accordance with Section 2.15 U.S. Dollars sufficient to pay the purchase price plus accrued and unpaid interest, if any, of all Notes to be purchased and (c) deliver to the Trustee Notes so accepted together with an Officers' Certificate stating the Notes or portions thereof being purchased by the Company. Upon receipt by the Paying Agent of the monies specified in clause (b) above and a copy of the Officers' Certificate specified in clause (c) above, the Paying Agent shall promptly mail to the Holders of Notes so accepted payment in an amount equal to the purchase price plus accrued and unpaid interest, if any, out of the funds deposited with the Paying Agent in accordance with the preceding sentence. The Trustee shall promptly authenticate and mail to such Holders new Notes equal in principal amount to any unpurchased portion of the Notes surrendered. Upon the payment of the purchase price for the Notes accepted for purchase, the Trustee shall return the Notes purchased to the Company for cancellation. Any monies remaining after the purchase of Notes pursuant to a Net Proceeds Offer shall be returned within three business days by the Trustee to the Company except with respect to monies owed as obligations to the Trustee pursuant to

Article VII. For purposes of this Section 4.10, the Trustee shall act as the Paying Agent.

To the extent the amount of Notes tendered pursuant to any Net Proceeds Offer is less than the amount of Net Cash Proceeds subject to such Net Proceeds Offer, the Company may use any remaining portion of such Net Cash Proceeds not required to fund the repurchase of tendered Notes for general corporate purposes and such Net Proceeds Offer Amount shall be reset to zero. The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Notes pursuant to a Net Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.10, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the provisions of this Section 4.10 by virtue thereof.

This Section 4.10 will not apply after the Fall-Away Event.

SECTION 4.11. Limitation on Dividend and Other Payment Restrictions Affecting Subsidiaries.

The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary of the Company to:

- (A) pay dividends or make any other distributions on or in respect of its Capital Stock to the Company or any of its Restricted Subsidiaries;
- (B) make loans or advances or pay any Indebtedness or other obligations owed to the Company or any of its Restricted Subsidiaries; or
- (C) transfer any of its assets to the Company or any of its Restricted Subsidiaries,

except for such encumbrances or restrictions existing under or by reason of:

- (1) applicable laws, rules and regulations;
- (2) any provisions of this Indenture, the 2008 Indenture or the 2011 Indenture;

- (3) customary provisions of any contract or lease (other than a capital lease or a lease in a sale and leaseback transaction) governing a leasehold interest of the Company or any of its Restricted Subsidiaries;
- (4) any agreements existing at the time of acquisition of any Person or the assets of the Person so acquired (including agreements governing Acquired Indebtedness), which encumbrance or restriction is not applicable to any Person, or the assets of any Person, other than the Person or the assets or Capital Stock of the Person so acquired;
- (5) agreements existing on May 17, 2001 to the extent and in the manner such agreements are in effect on such date;
- (6) restrictions imposed by any agreement to sell assets permitted under this Indenture relating to such assets pending the closing of such sale;
- (7) Indebtedness or other contractual requirements of a Securitization Entity in connection with a Qualified Securitization Transaction; *provided* that such restrictions apply only to such Securitization Entity;
- (8) Liens incurred in accordance with Section 4.15;
- (9) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (10) the Credit Agreement as in effect on May 17, 2001;
- (11) any restriction under an agreement governing Indebtedness of a Foreign Subsidiary incurred in compliance with Section 4.08;
- (12) customary restrictions in Capitalized Lease Obligations, security agreements or mortgages securing Indebtedness of the Company or any of its Restricted Subsidiaries to the extent such restrictions restrict the transfer of the property subject to such Capitalized Lease Obligations, security agreements or mortgages;
- (13) customary provisions in joint venture agreements and other similar agreements, in each case relating solely to the respective joint venture or similar entity or the equity interests therein; *provided* that this clause (13) shall not affect the limitation in clause (5) of the definition of “Permitted Investments”;

- (14) contracts entered into in the ordinary course of business, not relating to Indebtedness, and that do not, individually or in the aggregate, detract from the value of assets of the Company or any of its Restricted Subsidiaries in any manner material to the Company or any of its Restricted Subsidiaries;
- (15) purchase money obligations for property acquired in the ordinary course of business that impose encumbrances or restrictions on the ability of any Restricted Subsidiary of the Company to transfer the property so acquired to the Company or any of its other Restricted Subsidiaries; and
- (16) an agreement governing Indebtedness incurred to Refinance the Indebtedness incurred pursuant to an agreement referred to in clause (2), (4), (5), (10) or (15) above; *provided, however*, that the provisions relating to such encumbrance or restriction contained in any such Refinancing Indebtedness are not materially less favorable to the Holders of Notes in the aggregate as reasonably determined by the Board of Directors or a senior officer of the Company in their good faith judgment than the provisions relating to such encumbrance or restriction contained in agreements referred to in such clause (2), (4), (5), (10) or (15).

In addition, the Company will use its commercially reasonable efforts, consistent with its contractual obligations and fiduciary duties to its joint ventures, not to permit any of its joint ventures that are not Restricted Subsidiaries of the Company (excluding any joint ventures of Mosaic or its Subsidiaries (other than the Company and its Subsidiaries) existing as of the Operative Date that on or after the Operative Date become joint ventures of the Company in accordance with the provisions of this Indenture (to the extent the restrictions set forth below exist on the Operative Date)) to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any restriction on the ability of such joint venture to:

- (A) pay dividends or make any other distributions to the Company or any of its Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits;
- (B) make loans or advances or pay any Indebtedness owed to the Company or any of its Restricted Subsidiaries; or
- (C) transfer any of its assets to the Company or any of its Restricted Subsidiaries,

except for those restrictions existing under or by reason of:

- (1) such joint venture's joint venture agreement or its credit facility, or
- (2) the restrictions described in clauses (1) through (16), as applicable, of the first sentence of this Section 4.11 (assuming that references therein to Restricted Subsidiary were references to such joint venture).

This Section 4.11 will not apply after the Fall-Away Event.

SECTION 4.12. Limitation on Transactions with Affiliates.

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or permit to exist any transaction or series of related transactions with, or for the benefit of, any of its Affiliates (each, an "**Affiliate Transaction**"), other than

- (a) Affiliate Transactions described in the last paragraph of this Section 4.12; and
- (b) Affiliate Transactions on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those terms that would reasonably have been obtained at that time in a comparable transaction by the Company or the relevant Restricted Subsidiary and an unrelated Person.

The Board of Directors or a senior officer of the Company must approve each Affiliate Transaction that involves aggregate payments or other assets with a fair market value in excess of \$15.0 million. This approval must be evidenced by a board resolution that states that such board has determined that the transaction complies with the foregoing provisions.

If the Company or any Restricted Subsidiary of the Company enters into an Affiliate Transaction that involves aggregate payments or other assets with a fair market value in excess of \$30.0 million, then prior to the consummation of that Affiliate Transaction, the Company must obtain a favorable opinion from an Independent Financial Advisor as to the fairness of that Affiliate Transaction to the Holders of Notes from a financial point of view, and deliver that opinion to the Trustee.

The restrictions described in the preceding paragraphs of this Section 4.12 do not apply to:

- (1) reasonable fees and compensation paid to and indemnity provided on behalf of officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries as reasonably determined in good faith by the Company's Board of Directors or a senior officer of the Company;
- (2) transactions exclusively between or among the Company and any of its Restricted Subsidiaries or exclusively between or among such Restricted Subsidiaries, *provided* such transactions are not otherwise prohibited by any provision contained in this Indenture;
- (3) any agreement in effect on May 17, 2001 as in effect on such date or as thereafter amended in a manner not materially less favorable to the Holders of Notes in the aggregate;
- (4) transactions between the Company and/or its Restricted Subsidiaries, on the one hand, and the Affiliate Guarantors, on the other, in the ordinary course of business and otherwise in compliance with the terms of this Indenture;
- (5) (a) transactions between the Company and/or its Restricted Subsidiaries, on the one hand, and Subsidiaries of Mosaic that are not Affiliate Guarantors, on the other, in the ordinary course of business, and (b) transactions of the type set forth in clause (6) or (7) of the second paragraph of Section 4.09; *provided* that in the case of any such transaction or series of related transactions of the type set forth in (a) or (b) that involves aggregate payments or other assets with a fair market value in excess of \$5.0 million, the terms of such transactions, taken as a whole, are fair to the Company and its Restricted Subsidiaries, taken as a whole, or are on terms no less favorable to the Company and its Restricted Subsidiaries, taken as a whole, than the terms which reasonably would have been obtained from an unrelated party, in each case, as is reasonably determined in good faith by the Board of Directors or a senior officer of the Company;
- (6) a Phosphates Combination Transaction;
- (7) the issuance of a guarantee by the Company and/or any of its Restricted Subsidiaries with respect to any Indebtedness of any Affiliate Guarantor, to the extent permitted by Section 4.08;
- (8) Permitted Investments and Restricted Payments made in compliance with Section 4.09 of this Indenture;

- (9) transactions between any of the Company or any of its Subsidiaries and any Securitization Entity in connection with a Qualified Securitization Transaction, in each case, *provided* that such transactions are not otherwise prohibited by this Indenture; and
- (10) any transaction of the type set forth in clause (7) or (8) of the definition of “Asset Sale”.

This Section 4.12 will not apply after the Fall-Away Event.

SECTION 4.13. Limitation on Designations of Unrestricted Subsidiaries.

The Board of Directors of the Company may designate (a “**Designation**”) any Restricted Subsidiary of the Company (including any newly acquired or newly formed Subsidiary of the Company) to be an Unrestricted Subsidiary of the Company, so long as such Designation would not cause a Default.

For purposes of making the determination of whether such Designation would cause a Default, the portion of the fair market value of the net assets of any Subsidiary of the Company at the time that such Subsidiary is designated an Unrestricted Subsidiary that is represented by the interest of the Company and its Restricted Subsidiaries (excluding Permitted Investments) in such Subsidiary, in each case as determined in good faith by the Board of Directors of the Company, shall be deemed to be a Restricted Payment. Such Designation will only be permitted if such Restricted Payment would be permitted at such time.

The Board of Directors of the Company may revoke any Designation of a Subsidiary of the Company as an Unrestricted Subsidiary (a “**Revocation**”); *provided* that:

- (a) no Default has occurred and is continuing at the time of or after giving effect to such Revocation; and
- (b) all Liens and Indebtedness of such Unrestricted Subsidiary outstanding immediately after such Revocation would, if incurred at such time, have been permitted to be incurred (and shall be deemed to have been incurred) for all purposes of this Indenture.

Any such Designation or Revocation by the Board of Directors of the Company shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the resolution of the Board of Directors of the Company giving effect to such Designation or Revocation and an Officers’ Certificate certifying that such Designation or Revocation complied with the foregoing provisions.

Notwithstanding the foregoing, (a) upon consummation of a Phosphates Combination Transaction, the Phosphates Entities, and (b) upon consummation of a Restricted Payment solely (other than a de minimis contribution of capital) of the type set forth in clause (7) of the second paragraph of Section 4.09 which results in a Person that is not a Subsidiary of the Company becoming a direct or indirect Subsidiary of the Company, such Person, shall be deemed to be designated as an Unrestricted Subsidiary of the Company without compliance by the Company with the provisions of this Section 4.13.

This Section 4.13 will not apply after the Fall-Away Event.

SECTION 4.14. Conduct of Business.

The Company and its Restricted Subsidiaries (other than a Securitization Entity) will not engage in any businesses that are not the same, similar, related or ancillary to the businesses in which the Company and its Restricted Subsidiaries are engaged on May 17, 2001, except to the extent that after engaging in any new business, the Company and its Restricted Subsidiaries, taken as a whole, remain substantially engaged in similar lines of business as are conducted by them on May 17, 2001.

This Section 4.14 will not apply after the Fall-Away Event.

SECTION 4.15. Limitations on Liens and Sale and Leaseback Transactions.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, incur any Liens of any kind other than Permitted Liens upon any Principal Property or any shares of stock or debt of any Restricted Subsidiary owned as of May 17, 2001 or thereafter acquired, unless all payments due under the Notes are secured on an equal and ratable basis with the obligation so secured until such time as such obligation is no longer secured by a Lien.

(b) The Company will not, and will not permit any of its Restricted Subsidiaries to, enter into any arrangement with any Person providing for the leasing by the Company or any Restricted Subsidiary of any Principal Property, except for temporary leases for a term, including any renewal, of not more than five years and except for leases between the Company and a Restricted Subsidiary or between Restricted Subsidiaries, which Principal Property has been or is to be sold or transferred by the Company or such Restricted Subsidiary to such Person (hereinafter, a “**Sale and Leaseback Transaction**”), unless either

(1) the Company or such Restricted Subsidiary would be entitled, in accordance with clause (a) (other than by operation of clause (c)), to incur Indebtedness secured by a Lien on such property without equally and ratably securing the Notes or

(2) the Company within 180 days after the effective date of the Sale and Leaseback Transaction applies an amount equal to the Value of such transaction to the voluntary retirement of its Funded Debt.

(c) Notwithstanding clauses (a) and (b), the Company and its Restricted Subsidiaries may incur Indebtedness which would otherwise be subject to the limitation of clause (a) without securing the Notes, or enter into a Sale and Leaseback Transaction which would otherwise be subject to the limitation of clause (b) without retiring Funded Debt, or enter into a combination of such transactions, if the sum of

(x) the principal amount of all such Indebtedness incurred after August 1, 1998 and which would otherwise be or have been prohibited by the limitations of clauses (a) and (b), *plus*

(y) the aggregate Value of all such Sale and Leaseback Transactions after August 1, 1998

does not at any such time exceed 10% of the consolidated total assets of the Company and its consolidated Subsidiaries as shown on the most recent audited consolidated balance sheet contained in the latest annual report to the stockholders of the Company.

SECTION 4.16. Limitation on Guarantees by Restricted Subsidiaries.

The Company will not cause or permit any of its Restricted Subsidiaries, directly or indirectly, to guarantee any Indebtedness of the Company (“**Guaranteed Indebtedness**”), unless such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to this Indenture pursuant to which such Restricted Subsidiary guarantees, jointly and severally with all other Guarantors, on the same basis as such Guaranteed Indebtedness is guaranteed, all of the Company’s obligations with respect to the Notes. If the Guaranteed Indebtedness is (x) *pari passu* with the Notes, then the guarantee of such Guaranteed Indebtedness shall be *pari passu* with, or subordinated to, the Note Guarantee or (y) subordinated to the Notes, then the guarantee of such Guaranteed Indebtedness shall be subordinated to the Note Guarantee at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes. The Company shall deliver to the Trustee an opinion of counsel that such supplemental indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and, subject to customary exceptions, constitutes a valid and legally binding and enforceable obligation of such Restricted Subsidiary.

SECTION 4.17. Reports to Holders.

Subject to the last paragraph of this Section 4.17, whether or not required by the Commission, so long as any Notes are outstanding, the Company will furnish to the Holders of Notes, within the time periods specified in the Commission's rules and regulations, and make available to securities analysts and potential investors upon request:

- (1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if Mosaic were required to file such forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by Mosaic's independent registered public accounting firm; and
- (2) all current reports that would be required to be filed with the Commission on Form 8-K if Mosaic were required to file such reports.

In addition, whether or not required by the Commission, the Company will file a copy of all the information and reports referred to above with the Commission for public availability within the time periods specified in the Commission's rules and regulations (unless the Commission will not accept such a filing) and make such information available to security analysts and prospective investors upon request after such filing.

After such time as Mosaic is released from its Note Guarantee pursuant to clause (v) of Section 10.05, the information and reports to be furnished and filed pursuant to the preceding two paragraphs shall be information and reports with respect to the Company and there shall be no requirement to furnish or file any such information or reports with respect to Mosaic.

SECTION 4.18. Repurchase at the Option of Holders upon Change of Control.

If a Change of Control occurs, each Holder of Notes will have the right to require the Company to purchase all or any part (equal to \$1,000 or an integral multiple thereof) of that Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**"). In the Change of Control Offer, the Company will offer a payment (the "**Change of Control Payment**") in cash equal to 101% of the aggregate principal amount of the Notes purchased plus accrued and unpaid interest on such Notes, if any, to the date of purchase (the "**Change of Control Payment Date**").

Within 30 days following the date on which a Change of Control occurs, the Company shall send, by first-class mail, postage prepaid, a notice to each Holder of Notes at its last registered address and the Trustee, which notice shall govern the terms of the Change of Control Offer. The notice to the Holders shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Change of Control Offer. Such notice shall state:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.18 and that all Notes validly tendered and not withdrawn will be accepted for payment;
- (2) the Change of Control Payment and the Change of Control Payment Date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law);
- (3) that any Note not tendered will continue to accrue interest;
- (4) that, unless the Company defaults in making payment therefor, any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;
- (5) that Holders electing to have a Note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent and Registrar for the Notes at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;
- (6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the second Business Day prior to the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Note purchased;
- (7) that Holders whose Notes are purchased only in part will be issued new Notes in a principal amount equal to the unpurchased portion of the Notes surrendered; *provided, however*, that each Note purchased and each new Note issued shall be in a principal amount of \$1,000 or integral multiples thereof; and
- (8) the circumstances and relevant facts regarding such Change of Control.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable to the purchase of the Notes as a result of a Change of Control.

On the Change of Control Payment Date, the Company will, to the extent lawful: (x) accept for payment all Notes or portions of Notes properly tendered in the Change of Control Offer; (y) deposit with the Paying Agent an amount equal to the Change of Control Payment for all Notes or portions of Notes tendered; and (z) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly mail to each Holder of Notes tendered the Change of Control Payment for them, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. Each such new Note will be in a principal amount of \$1,000 or an integral multiple of \$1,000.

Except as described in this Section 4.18, this Indenture does not contain provisions that permit the Holders of Notes to require that the Company purchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

The Company will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Notwithstanding the foregoing, the Company will not be required to make a Change of Control Offer, as provided above, if, in connection with or in contemplation of any Change of Control, it has made an offer to purchase (an "**Alternate Offer**") any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes properly tendered in accordance with the terms of such Alternate Offer.

This Section 4.18 will not apply after the Fall-Away Event.

SECTION 4.19. Termination of Certain Covenants in Event of Investment Grade Rating.

The requirements of this clause (b) shall not apply to (x) a consolidation or merger of any Subsidiary Guarantor with or into the Company or any other Subsidiary Guarantor so long as the Company or a Subsidiary Guarantor survives the consolidation or merger or (y) the sale by consolidation or merger of such Subsidiary Guarantor, which sale, if prior to the Fall-Away Event, is covered by and complies with Section 4.10.

(c) The Company will deliver to the Trustee prior to the consummation of each proposed transaction an Officers' Certificate that the conditions set forth above are satisfied and an Opinion of Counsel that the proposed transaction and the supplemental indenture, if any, comply with this Indenture.

Notwithstanding the foregoing, for purposes of this Section 5.01, any sale, assignment, lease, transfer, conveyance or other disposition of all or any portion of the assets or Capital Stock comprising the IMC Phosphates Business pursuant to a Phosphates Combination Transaction shall not be deemed to be a sale, assignment, lease, transfer, conveyance or other disposition of all or substantially all of the Company's assets.

ARTICLE FIVE

CONSENTS

SECTION 5.1. With Consent of Noteholders.

Section 8.02 of the Original Indenture is hereby amended and restated in its entirety as follows:

“SECTION 8.02. With Consent of Noteholders.

The Holders of a majority in principal amount of the then outstanding Notes may waive compliance by the Company with any provision of this Indenture or the Notes without prior notice to any other Noteholder.

Notwithstanding the preceding paragraph, without the consent of each Noteholder affected, an amendment or waiver may not:

- (1) reduce the amount of Notes whose Holders must consent to an amendment or waiver;
- (2) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (3) reduce the principal of or change the Stated Maturity of any Note or alter the provisions with respect to redemption;

It shall not be necessary for the consent of the Holders under this Section 8.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under Section 8.01 or this Section 8.02 becomes effective, the Company shall mail to the Holders a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

Upon the written request of the Company accompanied by a board resolution authorizing the execution of any such supplemental indenture, and upon the receipt by the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Noteholders as aforesaid and upon receipt by the Trustee of the documents described in Section 8.06 hereof, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture."
